06/12/11[2] **GARY BRINSON**

Starter Gary Brinson was in the office this morning to respond to a complaint filed against him by the California Horse Racing Board stemming from an incident at the start of the first race on May 15, 2011. (ref. 5/15/113). Present at the hearing were the Board of Stewards, Mr. Vic Stauffer, Mr. Luis Jauregui, Mr. Brinson's counsel, Robert Forgnone, his employers Mr. Jack Liebau and Mr. Eual Wyatt. Investigator Rick Amieva presented the case for the Board.

The complaint alleged that Mr. Brinson violated three rules pertaining to the start and the Starter; namely, section #1552(Duties of the Starter), #1696(The Start), and #1698(Failure to Start and Run). Video of the incident was also admitted into evidence. After the Board rested, Mr. Forgnone made a motion to dismiss the case, stating that evidence presented fell short of sustaining the allegations.

The Stewards discussed the merits of the case in a closed-door session, following which the decision to grant the motion was announced to those previously in attendance.

06/12/11[3] **PROTEST RECEIVED**

The Stewards received a formal protest from trainer Richard Rosales into the eligibility of the winner of the seventh race on June 10, 2011, #4 Doc Can Dance.(Ref. 6-10-2011[2]) Mr. Rosales, whose horse #1 Preferred Behavior finished second in the race, stated that since the winner broke his maiden in an optional claiming race but was not in for the $30,000 claiming price, he was not eligible for the Friday race as it was limited to horses which had broken their maiden for a price of $40,000 or less. The matter has been turned over to the investigators.

He realized his mistake and said he would be more cautious in the future.

06/17/11[3] **COMPLAINT RECEIVED**

The Stewards received a formal complaint from trainer Peter Miller against Racing Veterinarian Dana Stead alleging that Dr. Stead scratched his horse Gutshotstraight from the sixth race on June 9 because of bias and animosity from previous incidents between himself and the veterinarian. 06/18/11[2] **TRAINER HEARING**

Trainer Roger Stein testified by telephone in regard to a complaint filed against him because his horse, Uncommon Sense, received a double Lasix injection and had to be scratched from the first race on April 24, 2011. Mr. Stein said that although Dr. Dowd was the veterinarian assigned to treat the horse, he accepted responsibility for the error. A decision will be made shortly.

06/18/11[3] **GONZALEZ HEARING**

Assistant trainer Jose Ruiz represented his employer, Sal Gonzalez, in a complaint filed against Gonzalez for an overage of Phenylbutazone found in his horse Malusita, the winner of the first race on May 15, 2011. Mr. Ruiz testified that the horse received two pills four days before the race. On the day before the race the horse received a 10cc injection by Dr. Leslie McLaughlin. Since the amount was only slightly over(5.57ug/ml) the problem was likely caused by the fact that Malusita is a light bodied mare and she ran in the first race of the day. Mr. Gonzalez' last violation for a Phenylbutazone was in September of 2009; consequently, a minimum fine of $500 was assessed.

HRTH #057

Trainer **SAL GONZALEZ,** who started the horse "Malusita" in the first race at Hollywood Park on May 15, 2011, is fined **FIVE HUNDRED DOLLARS ($500.00)***

pursuant to California Horse Racing Board rule #1887 (Trainer to Insure Condition of Horse) for violation of California Horse Racing Board rule #1844(c)(1)(Authorized Medication-Phenylbutazone overage 5.57 ug/ml).

06/18/11[4] **ACCIDENT/INQUIRY/NO CHANGE**

The inquiry sign was posted after the second race as the Stewards reviewed the circumstances which caused jockey David Flores, aboard #8 Link Suances, to be unseated at the start. After speaking with the Patrol Judges and reviewing video of the incident the Stewards unanimously voted to make no change in the placings. Review substantiated that Link Suances stumbled at the break, causing Flores to lose his balance and fall. He was not injured and completed his remaining engagements. The loose horse caused no problems for the other runners. See attached accident report.
