07-02-08² FILM REVIEW

Roberto Gonzalez reviewed the tapes of Monday's fourth race in which Roberto's mount was disqualified from first to second for causing interference in the stretch. Gonzalez contended his horse ducked from some tracks left by the starting gate just before the finish line and he did all he could do to prevent the interference.

Tapes showed that Gonzalez allowed his mount to drift in throughout the stretch. At the top of the stretch his horse was in the middle of the racetrack and by the 1/16 he was crowding the place horse, #6 FLAMINGO PRINCESS along the rail. The interference was preventable and Roberto did nothing to prevent it. Since Gonzalez just returned from a three day suspension, the following penalty was imposed:

RULING NO. 11

Jockey **ROBERTO GONZALEZ**, who rode **STAR PROTOCOL** in the fourth race at the Alameda County Fair on Monday, June 30, 2008, is suspended five (5) racing days (July 9, 10, 11, 12 and 13, 2008) for failure to maintain a straight course in the stretch and causing interference resulting in the disqualification of his mount from first to second; a violation of California Horse Racing Board rule #1699 (d) & (f) (Riding Rules – careless riding).

The term of this suspension shall not prohibit participation in designated races in California.

07-02-08³ **LATE SCRATCH – Seventh Race – REFUND**

07-03-08² **OFFICIAL SWITCH**

Steward **Grant Baker** was called to fill in at Cal Expo for the harness card this evening and was ably replaced by the vacationing **Dennis Nevin**.

Mr. Nevin will also be on hand Saturday, July 5th, when steward **Will Meyers** will travel to Cal Expo to cover another vacancy in that stand.

07-03-08³ **RULING NO. 12 – VENDIL**

Owner **ROBERT VENDIL** is hereby suspended for failure to abide by the terms of a financial agreement with trainer Eddie Rich which constitutes a violation of California Horse Racing Board rule #1876 (Financial Responsibility).

During the term of suspension, all licenses and license privileges of Robert Vendil are suspended and pursuant to California Horse Racing Board rule #1528 (Jurisdiction of Stewards), subject is denied access to all premises in this jurisdiction.

The above ruling was issued after Mr. Rich submitted written notification that Vendil's account was in arrears.

07-03-08⁴ **FINANCIALS RESCHEDULED**

A complaint (Case # 08GG073) filed by trainer **Jerry Hollendorfer** against owner **STEPHEN SAHADI** (Cardiff Stud Farm) alleges Hollendorfer is owed \$5,631.00 on a past due training bill.

The hearing was continued due to technology problems. Sahadi asked yesterday to attend telephonically from his farm in central California and Hollendorfer agreed to the arrangement. Today, Hollendorfer asked for the same consideration and was told that the phone system here at the Alameda County Fair would not allow a dual speaker hook up. The matter was tabled, much to the dissatisfaction of Mr. Sahadi.

Another complaint (Case # 08GG075) filed by trainer **Courtney Hickman** against owner **ALLEN HASSAN** was also continued to another date. The complaint alleges that Hassan owes Hickman \$10,510.00 in training fees.

Hickman asserted yesterday by phone, that she had not been properly noticed of the hearing. CHRB investigator Gabe Palomar is currently researching the notification situation. Hickman told Palomar she was in Del Mar and could not be here for today's scheduled hearing. Palomar notified Hassan yesterday that the hearing may not be able to go forward due to the notification issue with Hickman.

Hassan stated to Palomar yesterday that he wished to go forward with the hearing regardless of the notification issue but today, at the appointed hour, neither party appeared. The matter was referred back to the investigators for rescheduling.

07-03-08⁵ **STEWARDS' INQUIRY – OBJECTION – DOUBLE DISQUALIFICATION – First Race**

The stewards posted the inquiry sign to evaluate an incident in the stretch of this 350 yard quarter horse race. The stewards observed #2 CROWN AND EYES (6th, Carlos Villalobos) check his mount between #1 **BEST BUDS** (3rd, Jesus Arriaga) and #3 **JUST SNOW** (1st, Jorge Ayarza). Villalobos also lodged an objection against the actions of Arriaga and Ayarza.

After a thorough review the stewards disqualified both BEST BUDS and JUST SNOW for interference and placed them fifth and sixth respectively behind CROWN AND EYES. Tapes showed that shortly after the start JUST SNOW came in and bumped CROWN AND EYES several times. Later in the stretch, JUST SNOW drifted in while BEST BUDS drifted out causing CROWN AND EYES to check sharply as his racing room vanished between the two horses.

Original Order of Finish: **(3)** – 4 – **(1)** – 5 – 6 – 2

Official Order of Finish: 4 – 5 – 6 – 2 – **(3)** – **(1)**

07-03-08⁶ **LATE SCRATCH – REFUND – Sixth Race**

#2 CLASSY RANDIE was scratched on the recommendation of Dr. Connolly after he reported the filly injured herself during the loading process. On Vet's list. The refund totaled \$12,314.36.

07-03-08⁷ **LATE SCRATCH – REFUND – Eighth Race**

#2 MISS CARMICHAEL was scratched by the stewards after Dr. Connolly stated the filly became fractious, reared and flipped over while the field was being saddled in the paddock. On Vet's list. The refund amounted to \$2,251.18

07-03-08⁸ **LATE SCRATCH – REFUND – Ninth Race**

07-04-08² **STEWARDS' INQUIRY – ACCIDENT – Seventh Race – NO CHANGE**

The stewards posted the inquiry sign to investigate the cause of an accident at the 4 ½ after three horses fell and unseated their jockeys. After a thorough review, the stewards affirmed the order of finish posted on the infield tote board.

Tapes showed that #2 FOREVER CHOCOLATE, ridden by Alex Bisono, collapsed while racing mid-pack and fell toward the inside rail throwing Bisono. Two trailing horses, #3 THREE ACROSS with Jorge Herrera in the saddle and #8 D'WEATHERMAN, Saul Arias up, were unable to avoid the downed horse and the two horses fell dislodging the jockeys.

Track veterinarian Dr. Robert Connolly reported that FOREVER CHOCOLATE was deceased at the scene and there was no evidence that the horse suffered any catastrophic skeletal injuries. The cause of death will be determined through a post mortem examination. THREE ACROSS and D'WEATHERMAN recovered their legs after the spill and were captured without incident. THREE ACROSS suffered minor scrapes and D'WEATHERMAN incurred a three inch laceration.

Alex Bisono escaped unscathed and was cleared to ride the next race. **Jorge Herrera** complained of shoulder pain and **Saul Arias** suffered head injuries. Both riders were taken to local hospitals for further examination.

07-05-08² **RULING NO. 13 – COFFEE**

Trainer **CANDICE COFFEE** is fined the sum of two hundred dollars (\$200.00) pursuant to California Horse Racing Board rule #1629 (Penalty for Late Declaration) for failure to transport the horse JESSYS PRINCESS to Pleasanton necessitating a declaration from the first race on Friday, July 4, 2008 at the Alameda County Fair.

The above ruling was issued after Ms. Coffee appeared and explained that she entered the horse in the race after conversations with the owner, Sam Vasquez, who lives in Colorado. JESSYS PRINCESS is also in Colorado and Mr. Vasquez, for reasons known only to him, did not ship the horse for the race.

Coffee understands that trainer responsibility comes into play in such cases and reluctantly accepted the penalty imposed.

07-05-08³ **FILM REVIEW**

Jockeys **Jesus Arriaga** and **Jorge Ayarza** viewed the tapes of Thursday's first race with the stewards after their respective mounts were disqualified for interference. The gentlemen appeared yesterday but a technical glitch in the DVD recording process prevented us from replaying the race.

Neither jockey could document efforts on their part to prevent the interference which led to their disqualifications so the following rulings were issued:

Ruling No. 14

Jockey **JESUS ARRIAGA**, who rode **BEST BUDS** in the first race at the Alameda County Fair (Pleasanton) on Thursday, July 3, 2008, is suspended three (3) racing days (July 11, 12 and 13, 2008) for failure to make a proper effort to maintain a straight course in the stretch and causing interference resulting in the disqualification of his mount from third to sixth; a violation of California Horse Racing Board rule #1699 (d) & (f) (Riding Rules – careless riding).

The term of this suspension shall not prohibit participation in designated races in California.

Ruling No. 15

Jockey **JORGE AYARZA**, who rode **JUST SNOW** in the first race at the Alameda County Fair (Pleasanton) on Thursday, July 3, 2008, is suspended three (3) racing days (July 11, 12 and 13, 2008) for failure to make a proper effort to maintain a straight course in the stretch and causing interference resulting in the disqualification of his mount from first to fifth; a violation of California Horse Racing Board rule #1699 (d) & (f) (Riding Rules – careless riding).

The term of this suspension shall not prohibit participation in designated races in California.

07-05-08⁴ **RULING NO. 16 – FIGUEROA**

Jockey **Omar Figueroa** appeared and reviewed the fourth race from Thursday which showed him whipping a horse who was out of contention and not making up ground. Figueroa now realizes he should have put the whip away and hand rode the horse to the finish line. Had Omar implemented that tactic during the race the following penalty would not have been imposed:

Jockey **OMAR FIGUEROA** is fined the sum of three hundred dollars (\$300.00) for violation of California Horse Racing Board rule #1688 (Use of Whips) during the running of the fourth race on Thursday, July 3, 2008.

07-05-08⁵ **MORPHIN DECISION (Case 08GG083) – RULING NO. 17**

Groom **ADAN MORA MORPHIN** is suspended forty-five (45) days, July 6, 2008 through August 19, 2008, and placed on probation for the term of his license (02-28-09) for possession of a firearm in the Golden Gate Fields stable area on June 18, 2008; a violation of California Horse Racing Board rule #1875 (Firearms).

During the term of suspension, all licenses and license privileges of ADAN MORA MORPHIN are suspended and pursuant to California Horse Racing Board rule #1528 (Jurisdiction of Stewards), subject is denied access to all premises in this jurisdiction.

The above ruling was issued after Morphin waived his right to a formal hearing and pled guilty as charged. The penalty imposed was the result of a plea agreement between Morphin and the CHRB investigative staff which the stewards approved.

Adan had a loaded 22 in his tack room at Golden Gate Fields when it was spotted by Morphin's employer, trainer **Bill Mahorney**. Although the gun was registered with the state, it has no place in the barn area of a race track.

07-05-08⁶ **STEWARDS' INQUIRY – ACCIDENT – Third Race – NO CHANGE**

The stewards posted the inquiry sign to determine the cause of an accident at the top of the stretch involving #3 STORMY JAY, ridden by Alex Bisono. After a thorough review the stewards made no changes to the order of finish. Tapes showed that STORMY JAY went wrong (compound fracture of the right front canon bone) and fell, throwing Bisono. STORMY JAY was racing at the rear of the field and no other horses were involved. The injury to the leg was un-repairable and STORMY JAY was euthanized at the scene. Bisono escaped unscathed and was cleared by the track physician to ride the next race.

07-05-08⁷ **STEWARDS' INQUIRY – OBJECTION – Fourth Race – DISQUALIFICATION**

The stewards posted the inquiry sign to review an observed and reported incident at the 1/8 involving the place horse, #1a GREAT GRACE, ridden by William Antongeorgie, and the show horse #2 GALICA with Russell Baze in the irons. William E. Morey, trainer of Galica, also lodged an objection against GREAT GRACE along with GREAT GRACE's stable mate and winner, #1 CHRISTMAS SHIP. After a thorough review the stewards disqualified GREAT GRACE from second and placed him third behind GALICA.

Tapes showed that near the 1/8 a tiring GREAT GRACE drifted in and bumped and impeded a fast closing GALICA. The latter was cost the opportunity at a better placing so a disqualification was warranted.

Because one part of an entry was involved in the interference the question of whether the other part of the entry could or should be disqualified entered into the discussion. After viewing the tapes it was apparent that CHRISTMAS SHIP did not contribute to the incident so a disqualification was unwarranted.

Original Order of Finish: 1 – (1a) – 2 – 7 – 3

Official Order of Finish: 1 – 2 – (1a) – 7 – 3

07-05-08⁸ **LATE SCRATCH – Ninth Race – REFUND**

#7 FOR DADDY was scratched during the warm up period on the recommendation of Dr. Connolly after he reported that the horse was off in the left front. On Vet's list. The refund amounted to \$36,272.98.

07-05-08⁹ **TOTE MELTDOWN**

Tenth race post time was delayed approximately eight minutes when the tote system went down. The communication platform from here to the hub in Sacramento crashed and the transfer from the primary system to the back up accounted for the delay.

The odds and pool totals were frozen on the tote board during the delay. The tote board was finally cleared prior to the start of the race. The problem caused minor ripple effects for the balance of the afternoon but no other delays were encountered.

A letter of explanation from Scientific Games explaining the cause of the problem is attached to these minutes.

07-05-08¹⁰ **LATE SCRATCH – Twelfth Race – REFUND**

#1 LITA BITA CORN was scratched on the recommendation of Dr. Connolly when he reported the horse flipped in the starting gate and injured himself. On Vet's list. The refund totaled \$27,679.84.

07-06-08² **POOLS CANCELLED**

Today's second race, the \$10,000 Pleasanton Mule Championship collected six wagering interests but management was concerned over possible minus pools because of the presence of BAR JF HOT TICKET who has won eight of his last nine races.

Fair officials contacted CHRB personnel and received permission to cancel the win and place pools on the race.

07-06-08³ **RULING NO. 18 – HONDA (Case # 08GG076)**

Owner **MARSHA I. HONDA**, having failed to respond to written notice to appear before the Board of Stewards at the Alameda County Fair on or before July 5, 2008, is hereby suspended for violation of California Horse Racing Board rule #1547 (Failure to Appear) pending an appearance at a hearing before the Board of Stewards to answer charges alleging violation of California Horse Racing Board rule #1876 (Financial Responsibility).

During the term of this suspension, all licenses and license privileges of MARSHA I. HONDA are suspended and pursuant to California Horse Racing Board rule #1528 (Jurisdiction of Stewards), subject is denied access to all premises in this jurisdiction.

The above ruling was issued when Ms. Honda did not appear to address a complaint filed by trainer **Manuel Calvario** alleging she owes \$3,620.00 for a past due training bill.

07-06-08⁴ **RULING NO. 19 – ANTONGEORGI**

Jockey **WILLIAM ANTONGEORGI, III**, who rode **GREAT GRACE** in the fourth race at the Alameda County Fair on Saturday, July 5, 2008, is suspended three (3) racing days (July 13, 16 and 17, 2008) for crossing over without sufficient clearance in the stretch and causing interference resulting in the disqualification of his mount from second to third; a violation of California Horse Racing Board rule #1699 (d) & (f) (Riding Rules – careless riding).

The term of this suspension shall not prohibit participation in designated races in California.

The above ruling was issued after Bill met with the stewards and reviewed the tapes of the race. William acknowledged he allowed his mount to drift in and impede a fast closing rival. He explained that Baze's mount was closing faster than he allowed for and admitted he should have looked before he changed lanes or, better still, kept his horse on a straight course.

07-06-08⁵ **STEWARDS' INQUIRY – Fifth Race – NO CHANGE**

The stewards posted the inquiry sign to evaluate two incidents in the stretch involving the place horse, #6 QUICK SONG, ridden by Omar Figueroa and the show horse, #1 FORTY FIVECALIBUR, with Kyle Kaenal in the saddle. After a thorough review the stewards made no change in the placings.

Tapes showed that FORTY FIVECALIBUR steadied behind QUICK SONG at the 3/16 but both horses contributed to the incident when FORTY FIVECALIBUR stepped out as QUICK SONG stepped in at the top of the stretch. Later in deep stretch, both horses drifted out in the lane but QUICK SONG did not cost FORTY FIVECALIBUR the opportunity at a better placing.
