10/02/10 (5) **Ninth Race – Inquiry/Disqualification**

The inquiry sign was posted to review possible interference by the winner #5 “Powergaiterdotcom” (Tim Maier) crossing over, taking the path of second (2nd) place finisher #1 “Cat Call” (Steve Wiseman) in the stretch drive. After talking to the drivers and reviewing the race, the stewards, in a unanimous opinion, voted to disqualify #5 from first (1st) to second (2nd). Tapes show #5 veer in sharply causing driver Wiseman, aboard #1, to steady and alter course, costing him any chance at a better placing.

Official order of finish: 1-5-2-4-3-7-6-8

10/02/10 (6) **Thirteenth Race – Two Delays – Inquiry/Objection – Disqualification**

The 13th Race was an adventure, to say the least. Before the horses left the paddock, for the 13th Race, Trainer Robley Johnson’s son was injured on the grandstand lawn while playing with friends. The track ambulance was summoned to check a possible broken shoulder. Another ambulance was called in to transport young Johnson. The horses came on the track after a short delay of approximately five (5) minutes.

As the horses were warming up, the power for the whole racetrack went down for an instant. All power returned immediately, except the track light poles, which have to be turned on manually and required time to heat back up. The horses returned to the paddock to await the outcome. After a few minutes, the lights powered up and the race was allowed to commence. Original post time was scheduled for 10:44 p.m. and was off at 11:16 p.m.

The objection sign was lit at the request of Driver Ralph Silvestri III, who finished second (2nd) with #3 “Pilgrims Skyfire”, alleging interference by the winner, #5 “Don’t Dally Witch” and Driver Luke Plano around the final turn. The inquiry was posted for the same incident. After review, it was determined that #5 and Driver Plano forced their way out from behind a slower rival, causing #3 to be pushed three wide and costing him a chance to win. The stewards voted unanimously to place #5 second (2nd) for the interference.
