STUTE HEARING CASE #09SA113

Trainer Gary Stute met with the Stewards to adjudicate a complaint involving a violation of California Horse Racing Board Rule # 1843(a)(d) for a Phenylbutazone overage. Mr. Stute stated his practicing veterinarian treated the horse for the race, but there was a possibility the horse had been fed two "bute" pills prior to the injection. Hence the following ruling was issued:

HRT# #009

Trainer **GARY STUTE**, who started the horse "**DIXIE HAWKS**" which finished first in the third race at Santa Anita Park on March 26, 2009, is fined **FIVE HUNDRED DOLLARS*** (**\$500.00**) pursuant to California Horse Racing Board rule #1887 (Trainer to Insure Condition of Horse) for violation of California Horse Racing Board rules #1844 (c) (1) (Authorized Medication –Phenylbutazone, in excess of permitted level) and #1843 (a) (d) (Medication, Drugs and Other Substances).

05/06/09²

GARCIA HEARING CASE #09SA137

Jockey Martin Garcia met with the Stewards in an informal setting to discuss a possible whip violation which occurred in the 4th race at Santa Anita on 04-18-09. The photos attached to the complaint made it hard to define whether or not whip abuse was involved. The hearing was postponed until California Horse Racing Board Veterinarian Jennifer Durenberger could be contacted, and video of the race reviewed.

05/06/09³

LOPEZ HEARING CASE #09HP001

Respondent trainer Jason Lopez and complainant groom Salvador Paez met with the Stewards where an informal hearing was conducted concerning a financial matter. A set amount owed was agreed upon and a financial agreement was signed by both parties involved. Mr. Lopez agreed to make weekly payments and to have the balance paid by July 22, 2009.

RIOS RULING

HRT# #010

Jockey **JESUS RIOS**, who rode "**LUNCH MONEY**" in the third race at Hollywood Park on May 03, 2009, is suspended for **SEVEN RACING DAYS** (May 13, 14, 15,16,17,20 and 21, 2009) for altering course without sufficient clearance, causing interference which resulted in the disqualification of his mount from first to unplaced position. This constitutes a violation of California Horse Racing Board rule # 1699 (Riding Rules-Careless Riding).

Term of suspension shall not prohibit participation in designated races pursuant to California Horse Racing Board rule # 1766 (Designated Races).

This ruling was issued after jockey Jesus Rios joined the Stewards to review the tapes of the third race on Sunday's card wherein his mount was disqualified. Agent Tony Matos sat in as interpreter for Mr. Rios. Jockey Rios admitted his error in his sudden shift in the stretch drive while trying to find a clear path, causing a horse to his outside to clip heels and fall. He left the office acknowledging he needs to react more safely in the future.

FILM REVIEWS REFERENCE 5-03-09₅

Jockey Corey Nakatani upon invitation joined the Stewards to review an inquiry which had been posted in the fourth race on Sunday's program. He accepted the explanation for not disqualifying the horse in question, but was concerned with jockey Flores' riding techniques. He was reassured the Stewards would decide if any careless riding occurred.

Jockey David Flores also reviewed the same race with the Stewards. Mr. Flores was adamant he did not cross the fine line which occurs when riding close. The Stewards warned him he was pushing the envelope and if he chooses to ride in this manner in the future it may not result in his favor.

FILM REVIEW

Jockey Joel Rosario and his agent Vic Stauffer met in the Stewards office to review the eighth race on Saturday's card. Mr. Rosario was warned when in tight quarters his reactions should always pertain to safety first even if he has to compromise his chance of winning the race. He agreed to practice this theory in the future.

BELL II HEARING CASE # 08DM001

A formal hearing was conducted concerning California Horse Racing Board rules # 1843(a)(d)/1844(e)(7)/1877(a). Present at the hearing were Respondent Thomas Ray Bell II, Equine Medical Director Dr. Rick Arthur, Charles Jenkins DVM, Sam Bradley DVM, Assistant Steward Luis Jauregui, and Senior Investigator Frank Fink. Court reporter Barbara Weinstein recorded the proceedings. Witnesses were heard and cross examined, exhibits were introduced and placed in the record.

The allegation is that the Ray Bell II trainee contained a level of procaine in its system which exceeded the authorized level. Mr. Bell's defense involved his immaculate medication record and his effort to assure he had done his best to regulate his stable. He felt the horse in question had mistakenly been given a shot of procaine penicillin by the practicing veterinarian, instead of one of three different horses in his stable that were being medicated with this drug at the time. Decision to follow.

05/07/09³

CHATLOS FINANCIAL HEARINGS CASE #09HP004, #09HP005 and #09HP006

The three financial complaints were addressed simultaneously involving complainants Ramon Panduro, Melvin Garcia and Tanya Garcia against defendant trainer Don Chatlos. These three individuals were employed as grooms by Mr. Chatlos during his employment by owner Jim Ford. Mr.Chatlos stated that Mr.Ford had agreed to pay the employees directly. Mr.Ford was unavailable for comment; therefore this hearing was postponed until Mr.Ford can be contacted.

FILM REVIEW

Jockeys Danny Sorensen and Martin Garcia met with the Stewards as directed to review the fifth race on Saturday.

The first incident approaching the club house turn was initiated by Mr. Garcia who was slow to correct his mount's drift inward. When he did make the effort to adjust, his mount was hard to control. Mr. Garcia was warned to react sooner in the future and he promised to do so.

The second incident occurred entering the far turn. Mr. Sorensen's mount shifted out, and the horses to his outside simultaneously stepped in after their lead change to take the turn, creating contact. While Mr. Sorensen felt he was blameless, the Stewards believed that he contributed to the incident that involved several horses.
