CHRB NEWS RELEASE

JULY 15, 2011

WEEKLY UPDATE: JUNE 21 – JULY 10, 2011

SACRAMENTO, CA – This is the California Horse Racing Board's weekly update of all complaints and stewards' rulings involving Class 1, 2, and 3 medication violations and other significant matters.

The CHRB filed a complaint against trainer Adan Farias alleging violation of CHRB Rules 1843 (a) (d), 1844 (e) (9), 1844 (f), and 1887 after the Maddy Laboratory at U.C. Davis reported the blood and urine samples collected from a horse in his care, in a Separate Class, contained clenbuterol in excess of the authorized decision levels. Clenbuterol is a beta-2 agonist bronchodilator commonly used in horses. This is a Class 3 violation. The stewards at Los Alamitos have scheduled an August 6 hearing. In a Separate Class finished first in the fourth race at Los Alamitos on May 15, 2011.
