MOREY HEARING (CASE #14GG0055)

A formal hearing was conducted for trainer William E. Morey into a complaint filed by California Horse Racing Board Investigator Louis Quezada alleging violation of CHRB Rules #1843.5 (i) (Medication, Drugs and Other Substances Permitted After Entry in a Race), #1629 (Penalty for Late Declaration) and #1887 (Trainer to Insure Condition of Horse). According to the complaint

Fernando Gutierrez, a groom employed by Morey, admitted to Quezada and Safety Steward Vic Stauffer while they were patrolling the barn area that the horse, UNUSUAL AMERICAINE, received a half a dose-syringe full of Air Power on race day, May 17, just before the horse reported to the Receiving Barn. Morey accepted responsibility for the groom's actions but stated for the record that he instructs his employees not to use the substance on race days. The horse was subsequently scratched that day by the Stewards.

Evidence and testimony were received on the record and the matter was deemed submitted. The Stewards will render a decision in the very near future.

FILM REVIEW

Apprentice Jockey Ricardo Gonzalez appeared to review Sunday's fifth race in which his mount was disqualified for causing interference in the stretch. Gonzalez was very candid in assessing his actions stating that he steered his horse in too close to the rail thereby causing a rival to steady, lose ground and the opportunity at a placing. The following suspension was imposed:

NO.88

Jockey **RICARDO GONZALEZ** who rode **PEPPER ME** in the fifth race at Golden Gate Fields on Sunday, June 1, 2014 is suspended three (3) racing days (June 12, 13 and 14 2014) for failure to make a proper effort to maintain a straight course in the stretch and causing interference resulting in the disqualification of his mount from first to fourth; a violation of California Horse Racing Board Rule #1699 (d) & (f) (Riding Rules - Careless Riding).

GRUDZIEWSKI RULING

NO.89

Trainer **ROBERT GRUDZIEWSKI** is fined the sum of one hundred dollars (\$100.00)* for failure to be present in the paddock to saddle his horse SILVER CHAMP in the ninth race on Sunday June 1, 2014; a violation of California Horse Racing Board rule #1894 (Duties of Trainer).

The above ruling was published after subject was contacted by phone and waived his right to a hearing. Grudziwski asked another trainer to saddle his horse on Sunday and that other trainer failed to show up. Grudziwski accepted responsibility for the incident along with the penalty imposed above.

STEWARDS INQUIRY / OBJECTION – SECOND RACE – NO CHANGE

The Stewards posted the inquiry sign to evaluate an incident around the far turn after Jockey Silvio Amador aboard the place horse, #2 SEATTLE FIRM, was observed steadying his mount. Amador also lodged a claim of foul against the winner, #4 INSPIRED ILLUSION, ridden by Francisco Duran. After a thorough review the Stewards left the original order of finish intact.

Tapes showed that Amador steadied his mount near the ¼ while racing along the rail inside of #3 HOTSOUTHERNBREEZE (3rd – Abel Cedillo). The tapes failed to show the cause for the close quarters i.e. whether SEATTLE FIRM was getting out or whether HOTSOUTHERNBREEZE was bearing in. With

respect to the objection, #4 INSPIRED ILLUSION was racing outside of HOTSOUTHERNBREEZE and kept a true course around the turn.

06-06-14² **MOREY RULING**

NO.90

Trainer **WILLIAM E. MOREY** is hereby fined the sum of one thousand dollars (\$1000.00)* pursuant to California Horse Racing Board rules #1629 (Penalty for Late Declaration) and #1887 (Trainer to Insure Condition of Horse) for administering the substance Air Power to the horse UNUSUAL AMERICAINE on race day necessitating a late declaration in the fifth race on May 17, 2014; a violation of CHRB rule #1843.5 (i) (Medication, Drugs and Other Substances Permitted After Entry in a Race).

The above ruling was released following yesterday's formal hearing. Morey stated at the hearing that it's not his policy to have Air Power administered on race day but the groom did not follow those instructions.

06-06-14³ **ROBLES HEARING (CASE #14GG0052)**

An informal hearing was held for groom Agustin Reyes Robles who was the subject of a complaint filed by Investigator Louis Quezada alleging violation of California Horse Racing Board rule #1874 (Disorderly Conduct) for a May 6, 2014 incident where Robles was intoxicated.

Present at the hearing were Robles, Racetrack Chaplaincy of America Chaplain Rob Carpenter and Armando Calero with the Winners Foundation. Robles admitted he drinks too much on occasion but maintained he does not have a drinking problem. Robles' license history with the CHRB shows numerous instances over the past ten years where he has suffered consequences as a result of drinking.

Calero stated that, in his opinion, Robles would best be served by a minimum thirty day in-house rehabilitation program and a six month contract with the Winners Foundation after completion of the rehabilitation program.

The Stewards concurred with that assessment and issued the following ruling:

#91

Groom **AGUSTIN R. ROBLES** is hereby suspended thirty (30) days, June 7, through July 6, 2014, and placed on probation for the term of his license (8-31-14) for violation of California Horse Racing Board rule #1874 (Disorderly Conduct – Intoxication) on May 6, 2014.

Prior to the reinstatement of his license privileges AGUSTIN R.

ROBLES must show proof of completion of a thirty day (30) in-house rehabilitation program with the Winners Foundation. As a condition of probation Robles must abide by the terms of a contract with the Winners Foundation and also a testing agreement with the CHRB.

06-06-14⁴

CONTRERAS VS. LEE (CASE #14GG0025)

A complaint filed by groom Lorenzo Contreras against Pony Person/Horse Transporter Jennifer Lee was dismissed by the Stewards after neither party appeared to press their case. Contreras alleged \$1350.00 due for back wages.

06-06-14⁵

The refund for both horses totaled \$65,215.12.

STEWARDS INQUIRY - ACCIDENT - NINTH RACE - NO CHANGE

The Stewards posted the inquiry sign to determine the cause of a spill near the 1/16 involving #2 ADRIATIC SON ridden by Frank Alvarado and #10 TEBOWS BIG PLAY with Pedro Terrero in the irons. After a thorough review the Stewards affirmed the original order of finish.

Tapes showed that TEBOWS BIG PLAY went wrong just past the 1/16 and fell, sending Terrero to the ground. ADRIATIC SON, trailing behind, was unable to avoid the downed horse and stumbled over that horse causing ADRIATIC SON to fall. Alvarado was thrown as well.

According to Track Physician Dr. David Seftel, both jockeys suffered minor concussions but were alert and oriented. Alvarado and Terrero were transported to the hospital for further tests. TEBOWS BIG PLAY suffered a catastrophic injury to the right front ankle and was euthanized at the scene. ADRIATIC SON did not suffer any serious effects from the incident.

06-08-14² **RIDER OFF**

Jockey Fernando Perez was thrown from his mount, PATRIOTS RULE, during the warm up for today's seventh race, the \$100,000 Silky Sullivan Stakes. It was reported that the horse threw his head and caught Perez in his head causing the rider to come off the horse. Perez was checked and examined on the track by track physician David Seftel and cleared to ride the race.

Following the race Perez required assistance after he dismounted as he was experiencing bouts of dizziness. Dr. Seftel once again examined him and felt the symptoms were consistent with dehydration. Perez was transported by ambulance to the hospital as a precaution. He was replaced in the ninth race by Maicol Severino.
