The contact caused both horses, #3 and #2, to fall.

RULING NO. 10 – KUBINOVA

Apprentice Jockey **ELISKA KUBINOVA**, who rode **PRINCESS ANNABELLA** in the fifth race at Golden Gate Fields on Friday, January 6, 2012, is suspended ten (10) racing days (January 14, 15, 16, 20, 21, 22, 26, 27, 28, and 29, 2012) for failure to make the proper effort to maintain a straight course resulting in an accident following the running of the race; a violation of California Horse Racing Board rule #1699 (d) & (f) (Riding Rules – careless riding).

The term of this suspension shall not prohibit participation in Designated races in California.

RULING NO. 11 – HERNANDEZ

Jockey **JUAN HERNANDEZ**, who rode **CHRIS'S CONTENDER** in the fifth race at Golden Gate Fields on Friday, January 6, 2012, is suspended five (5) racing days (January 14, 15, 16, 20 and 21, 2012) for failure to make the proper effort to straighten his path contributing to an accident following the running of the race; a violation of California Horse Racing Board rule #1699 (d) & (f) (Riding Rules – careless riding).

The term of this suspension shall not prohibit participation in designated races in California.

The rulings listed above were issued after Ms. Kubinova and Mr. Hernandez, accompanied by his agent Ramon Silva, met with and reviewed the accident with this Board.

Mr. Hernandez stated, through his agent who interpreted for him, that he altered his course to avoid the heels of Ms. Kubinova's horse and his horse went in farther than he expected. He also stated had he reacted quicker the amount of contact would have been lessened.

Ms. Kubinova stated she was not aware her mount was drifting inward or that a horse was altering course to avoid her horse's heels.

The lengths of suspensions were determined by the degree of culpability each rider contributed to the infraction and the severity of the incident. This was an accident that was avoidable had Ms. Kubinova been aware that her horse was drifting inward and we agree with Mr. Hernandez' assessment that had he been more alert and reacted quicker he could have lessened the amount of contact between his horse and the horse on his inside.

01-07-12⁴ **INQUIRY – Fifth Race – DISQUALIFICATION**

Following the running of the fifth race the inquiry sign was posted for a review of observed interference in the stretch between #1 NURSE STEPHANIE (1st, Abel Cedillo) and #2 BEEZARO (2nd, Aaron Gryder).

After talking with the riders involved, the patrol judge and reviewing the recorded views, #1 was disqualified from first and placed sixth.

The recording shows the rider of #2 checks sharply off the heels of #1 after #1 moved off the rail giving #2 a clear opening then drifted back to the rail and take #2's path costing that rival a better placing. The decision was unanimous.

The preceding ruling was issued after Ms. Jackson signed a waiver of hearing and accepted the penalty assessed.

01-08-12² **RULING NO. 13 – CEDILLO**

Jockey **ABEL CEDILLO**, who rode **NURSE STEPHANIE** in the fifth race at Golden Gate Fields on Saturday, January 7, 2012, is suspended three (3) racing days (January 15, 16 and 20, 2012) for failure to make the proper effort to maintain a straight course in the stretch

and causing interference resulting in the disqualification of his mount from first to sixth; a violation of California Horse Racing Board rule #1699 (d) & (f) (Riding Rules – careless riding).

The term of this suspension shall not prohibit participation in designated races in California.

The foregoing ruling was issued after Mr. Cedillo met with this Board, reviewed the race candidly and acknowledged making an error when he opened up a path along the rail then drifted in and took the path of a horse that had entered that opening.

01-08-12³ **RULING NO. 14 – CEDILLO**

Jockey **ABEL CEDILLO** is fined the sum of one hundred dollars (\$100.00) pursuant to California Horse Racing Board rule #1530 (Cases Not Covered by Rules and Regulations) for unprofessional conduct following the fifth race on Saturday, January 7, 2012.
