After interviewing the riders involved, considering the patrol judges' report and reviewing the tapes of the race, the stewards decided unanimously to disqualify #10 ISLAND NATIVE from second to fifth.

A formal hearing was held this morning to address a CHRB complaint against trainer Douglas Utley alleging a high Phenylbutazone (7.23 ug/ml) reported on his horse FEELINGS, who won the seventh race on August 1, 2010 at the Sonoma County Fair in Santa Rosa.

A companion complaint was filed against Jerald Parker, D.V.M., who was the attending veterinarian for the filly FEELINGS. This complaint alleges double treatment and filing inaccurate confidential vet reports.

Both individuals agreed to a joint hearing as both complaints pertain to the same issue and neither one was represented by counsel.

CHRB senior investigator Gabriel Palomar presented both cases and C.S.R. Christine Niccoli recorded the proceeding.

The Board of Stewards heard testimony from both of the accused and others and received documentary evidence into the record and brought the hearing to a close.

Decision forthcoming.
